

# Ponche Caballero

Ponche Caballero is one of a kind, the authentic Spanish liqueur made from a secret recipe over 180 years old.

Ponche Caballero is crafted through a long and meticulous process where Andalusian citrus fruits, mainly oranges, are macerated with a selection of the finest botanicals.

This secret recipe uses only the highest quality ingredients, including Andalusian orange peel, vanilla, cinnamon, cloves, and nutmeg.

Discover its sweet taste, with subtle notes of vanilla, spices, and a touch of almond. Its flavor is both sweet and intense.

*Perfect served on the rocks with a slice of orange or combined with espresso for an authentic “carajillo.”*
